

# ***SPIDERS***

***Subsistence Planning Integrated Data  
Enterprise Readiness System***

---

## ***Vendor's Guide***

# *Agenda*

---

- ◆ **What is SPIDERS?**
- ◆ **What does it mean to the Vendor?**
- ◆ **How does it work?**
- ◆ **Demonstration**
- ◆ **How do I get involved?**

---

---

# *What is SPIDERS?*

# ***SPIDERS is....***

---

- ◆ **A Secure Web-based Decision Support System to assist the Subsistence Directorate in Readiness Planning**
- ◆ **A Collaborative Vendor Portal Enabling data exchange**
  - **Receive Subsistence Requirements**
  - **Provide General Company Information**
  - **Provide Production Capability Data**
  - **Provide Visibility into the Vertical Supply Chain**
- ◆ **A “What If” Simulation Model to Rapidly Forecast Shortfalls in Production**
- ◆ **An Exploratory Report Engine Enabling In-Depth Analysis of Readiness Questions**

---

---

# *What Does it Mean to the Vendor?*

# *Impacts on Vendors*

---

---

- ◆ **The SPIDERS Vendor Profile Feature allows the entry of critical production capability data that allows the Subsistence Directorate to conduct robust Readiness Planning.**
- ◆ **SPIDERS also provides an automated mechanism for Vendors to receive and view Subsistence item requirements.**
- ◆ **Use of the automated Vendor Profile forms are the primary (and required) vehicle for doing business with the DSCP Subsistence Directorate.**

---

---

# *How Does it Work?*

# *How it works...*

---

- ◆ **A Vendor Requests a Login through SPIDERS.**  
**Vendors must have a valid Cage Code.**
- ◆ **A User ID/Password is provided to the Vendor.**  
**Carmen Viola (DSCP-HROI) is the Approving Authority.**
- ◆ **The Vendor logs onto SPIDERS as a Registered User and enters Vendor Profile data and Production Data.**  
**The production data is entered based on the Vendor's Production capabilities for Grouped or Un-Grouped NSNs.**
- ◆ **The Vendor identifies Key Material Component (KMC) Vendors and the required Key Components from those Vendors.**  
**The KMC Vendors are notified of Components Required by Others – KMC Vendors are then required to provide key material component data.**
- ◆ **The KMC Vendor logs into SPIDERS and completes the “Materials Required by Others” section.**

---

---
